e-Stewards workshop and networking opportunity at e-Scrap 2015 – Tuesday, September 1st, 2015. These events are on the day before the Plenary Sessions begin. Certified e-Stewards are welcome to the e-Stewards workshop and the special networking opportunity. Please register for one or both of the free events at e-Scrap by **clicking here**, and registering on the e-Scrap 2015 website.

Discover the e-Stewards Certification Advantage

Presented by e-Stewards Administrators

2:00 - 4:00 pm I Augusta Room
Fee: No fee, pre-registration required

Grow your business and gain contracts with clients seeking the best refurbishers and recyclers certified to the highest standard for environmentally and socially responsible electronics recycling. This workshop will provide an overview of the steps to becoming e-Stewards certified, requirements in the standard (including the basics of an environmental management system), how it will differentiate your business, and the marketing support provided by the e-Stewards staff. Attend the e-Stewards workshop and learn how e-Stewards certification can boost your brand and attract clients.

e-Stewards Networking Opportunity

Presented by e-Stewards Administrators

4:30 - 5:30 pm I Augusta Room
Fee: No fee, pre-registration required

Join us immediately following the e-Stewards workshop (in the same room): meet e-Stewards certified recyclers, learn about new technologies and business models, speak with program Administrators, and get one-on-one time with fellow industry professionals at our networking event. This networking opportunity is for certified e-Stewards and those interested in being certified. Complimentary food and drinks will be served.
